General Meeting February 12 – Rock the Vote by

Janice Heather

Are You Prepared to Vote on March 3? ✓ This year, for the first time, the California primary election will be the first Tuesday in March (March 3), not in June. That's only a few weeks away!

To help us get ready, Mary Hanson, of the League of Women Voters (LWV), will attend our February 12 general membership meeting to brief us on 5 propositions that will be on our ballots. She'll also tell us about recent changes to election regulations that we should all know to help the election go smoothly. LWV ballot briefings are non-partisan and summarize each measure, including supporters and opponents – everyone is welcome.

Since previous briefings were well-attended, we're holding the meeting at 6:30 p.m. in the Community Room at the Rancho Bernardo Campus of Palomar College, 11111 Rancho Bernardo Rd, San Diego, CA 92127.

There will be plenty of space along with light refreshments, so bring a friend, neighbor or spouse for this important pre-election briefing. Please park in the parking structure to the right of the College building.

RSVP to aauwboard@gmail.com.

Membership Matters by Pam Ames

Introducing one of our new members... Rebecca Fontaine. Rebecca and her husband moved to San Diego in 2018 to live near their two grandsons (and their loving parents). Their two other adult children are living their dream, one in Wisconsin and the other in Bay Area. Rebecca is a graduate of UC Berkeley and retired in 2017 following a 30-year career as a Kaiser Permanente psychiatric social worker (LCSW)! She loves to travel, especially in her tiny 19-foot Airstream Bambi, and has visited almost every national park. She's a dual member of the RB and PP branches. Welcome, Rebecca!!!

Save the Date & Celebrate Our Right to Vote by Janice Heather

Join us on Sunday, March 29, when our branch celebrates the 100th anniversary of women's right to vote at a special concert called "Songs of Suffrage" at the La Jolla Women's Club in La Jolla. This special event is in lieu of a monthly March meeting since March 2020 is the centennial celebration of the 19th amendment of the US Constitution - Women's Right to Vote!

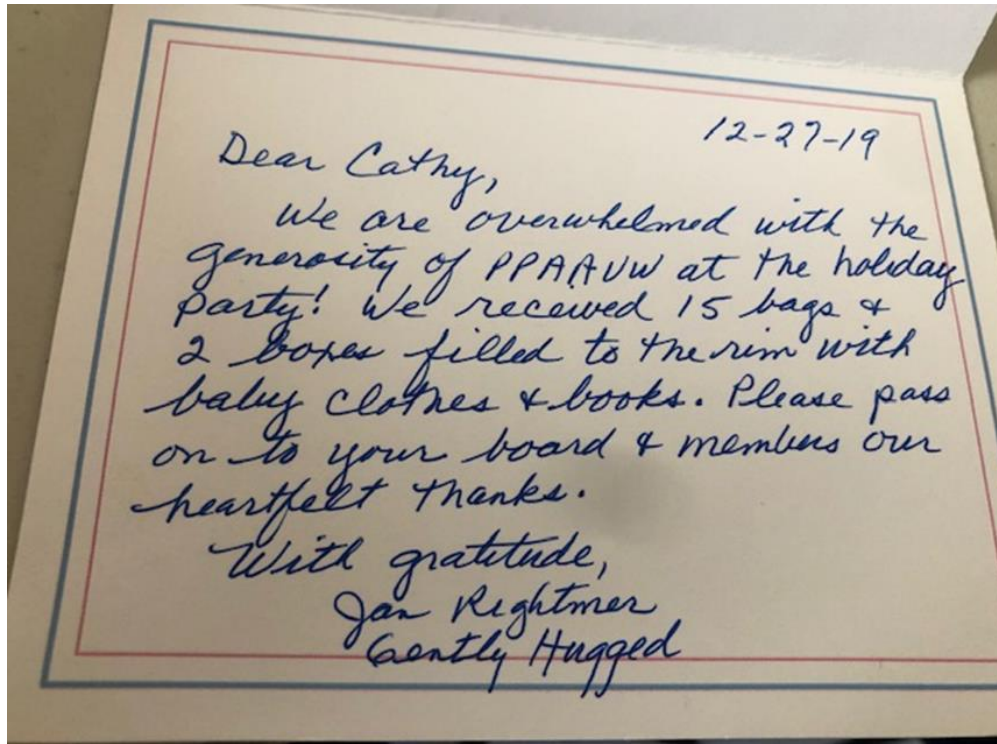

This event, which is part of the Bodhi Tree Concert Series, features songs, history, stories and speeches related to this historic event. Bodhi Tree Concerts' mission is to perform intentional acts of kindness through music. They feature local artists, diverse programming and use concert proceeds to support charitable organizations. See flyer below.

The concert starts at 4 p.m. and tickets are \$20 each. We've reserved 25 tickets for our branch so don't delay! To reserve a ticket, rsvp to Sheila Walker at sekw@san.rr.com. Additional information regarding carpools and ticket payment will be available in March.

Equal Pay Day – Wear Red Public Policy Message from State by Karen Jackle, AAUW-CA Public Policy Committee

The next Equal Pay Day (EPD) is Tuesday, March 31, 2020. This date symbolizes how far into the year women must work to earn what men earned in the previous year. The National Committee on Pay Equity <https://www.pay-equity.org/day.html> reminds us to wear red to symbolize how far women and minorities are “in the red” with their pay. This is a great idea for branch members working EPD tables in their communities or at local colleges.

AAUW’s publication The Simple Truth update is based on the most recently released data from the U.S. Census Bureau. In 2018, women received just 82 cents for every dollar paid to a man. Women of color often face a wider gap: compared to white men, Black women make 62 cents on the dollar, and Latinas make 54 cents on the dollar. The pay gap has only decreased by a nickel in the 21st Century. For more information on the Gender Pay Gap, and ideas for EPD events, check out <https://www.aauw.org/resource/how-to-equal-pay-day/>.

On the National Level, the Paycheck Fairness Act passed in the House of Representatives and languishes in the Senate with no action yet taken. The Equal Pay Act requires that men and women be given equal pay for equal work in the same establishment. The jobs need not be identical, but they must be substantially equal. It is job content, not job titles, that determines whether jobs are substantially equal. Specifically, the EPA provides that employers may not pay unequal wages to men and women who perform jobs that require substantially equal skill, effort and responsibility, and that are performed under similar working conditions within the same establishment.

According to WAGE (Women Are Getting Even), women earn one million less than men in their lifetime. AAUW has facilitated Start Smart and Work Smart Workshops to help close the gap, and you can learn more about these workshops at the website: <https://www.pay-equity.org/day-kit.html>. AAUW now offers an online one-hour Work Smart Workshop accessed from the AAUW.org website, for salary negotiation skills.

Gayle Ziaskas

Join Pat Downing, Saturday February 1, for a 4.4-mile hike along Lake Hodges Bernardo Bay Trail and across the bridge to the stream. It's a great time of year to enjoy the birds so bring your binoculars if you want. The trail is mostly flat with only one spot of about 20 yards where you may want a stick.

If anyone has a carpool idea for those coming from the south, please let Pat know and she will publish it to the group. There is a porta potty in the parking lot.

Please RSVP to Pat Downing at pdsnewmail@gmail.com or cell 624-321-3955.
