Phishing Scam

It happened again in April; an email was sent to a few members asking for their time to do "me" a favor. I will never ask you or any member of AAUW-PP to purchase gift cards for me. Please do not respond to the email in any way and if you receive the email, report it to the Internet Crime Complaint Center at www.IC3.gov. Please stay vigilant in protecting yourself against scams.

Fiscal Year 2025

Cover to Cover Authors Luncheon on May 11: *Still Time to Register!* by Cathy Burciaga

May 3 is your deadline to register for our once-a-year gala luncheon, author meet & greet, and book signing with our two bestselling authors, Tammy Leitner and T. Jefferson Parker. Tables are filling up fast but there is still time to reserve your seat!

Doors open at 10 a.m. on Saturday, May 11 at the beautiful Bernardo Heights Golf Club in Rancho Bernardo for check-in, book sales & signing, and plenty of time to browse the silent auction items and other goodies for sale before enjoying the first author's talk at 11 a.m.

This lovely event is traditionally a fundraiser for our re-entry women college scholarships and, more recently, our annual highschooler Speech Trek competition, which are two of our affiliate's most successful programs.

Tech Trek Update by Heidi Dalvie, Ellen Dillon, Debbie Lewis, Linda Groeling, Pat Armstrong, AAUW Poway-Penasquitos Affiliate Tech Trek Co-Coordinators

Applications

We received 23 applications from seven different PUSD middle schools for camp this year, and we were *very* busy interviewing the girls the first week of March. It is always encouraging to see how much enthusiasm these young women have for Tech Trek.

We chose 12 girls to attend in-person camp and sent out the "Congratulations!" letters. There is still a lot of paperwork for families to complete before the camp dates of June 23 – 28, 2024.

Volunteering

Looking for an opportunity to learn more about Tech Trek camp on the UCSD campus? Volunteers are needed for camp "check-in" registration and for supervision in a classroom allowing a dorm mom to attend a daily camp meeting. This is a great way to observe a teacher directed lesson and "take in" the campers' enthusiasm and engagement with a STEM activity.

If you have an interest in one or both volunteer opportunities, now is the time to reach out! Contact us at powaypqtectrek@gmail.com.

Gov Trek Update by Marie Dye

Gov Trek had 37 young women (none from San Diego County) graduate from the program this year. Over seven Saturday sessions, the girls learned from various female legislators, consultants, and staffers about the political process on both local and national levels. The purpose is to help high school juniors and seniors learn about career opportunities in public service.

The participants are formed into teams which then compete in creating and presenting a campaign simulation. An esteemed group of judges are on hand to provide feedback and award prizes in different categories.

This was the second year for this AAUW-California program and the Gov Trek team is looking for more ways to attract young women into this program and hopefully public service.

The campaign competition can be viewed on YouTube at [2024 Gov Trek Finale and Awards – YouTube](#).

For more information about Gov Trek, visit [Gov Trek - AAUW California](#).

Speech Trek Update by Karen McGurk

Good Luck Shreeya! Our Speech Trek Competition winner, Shreeya Patel, is one of 3 semi-finalists who will compete in the AAUW State Finals virtual competition. The winner's video will be showcased at the California Annual Event on Saturday, April 27. You can register for this event at: <https://www.aauw-ca.org/aauw-annual-event-back-to-school/>.

Bet You Didn't Know This About Amelia Earhart! Notable Women in History by Joie Nolasco

What most people don't know is that in 1933, Amelia Earhart released Amelia Fashions, "for the woman who lives actively." Earhart didn't just lend her name to the label, she approved every step of the process and helped sew some of the garments, too. Many of the designs incorporated aviation materials, such as buttons and buckles made of ball bearings, oil cups, and bolts. Some shirts were made from parachute silk and included tails, which were strictly for men's shirts. She also designed hats, which she used as prizes for flying contests with the Ninety-Nines, an all-woman aviation society she helped establish. The clothing line didn't last long, however, since it took her away from flying. (<https://historyfacts.com/famous-figures/fact/amelia-earhart-had-her-own-clothing-line/>)

AAUW California Public Policy Committee Sets 2024 Legislative Agenda by Amy Hom and Missy Maceyko, Co-chairs AAUW California Public Policy Committee

The Public Policy Committee met virtually over a weekend in early March to set AAUW California's 2024 Legislative Agenda. Through a day and a half of discussions, we reviewed 67 bills, considering their merits and potential costs as well as their alignment with our public policy priorities. Then, we went through a voting/ranking process to select the top bills that we will advance as our Legislative Agenda.

Our legislative agenda consists of three "A" priority bills, four "B" priority bills, twenty-nine "C" priority bills, and twelve spot bills that we are watching. Seven of the bills on our legislative agenda are 2-year bills that carried over from last year. All of the bills on our agenda fall under at least one of our four Public Policy Priority pillars; one bill - AB 2349 - falls under three pillars.

Excitingly, our signature "A" priority bill AB 2843 "Health Care Coverage for Rape and Sexual Assault Survivors" was authored by AAUW California. The bill is sponsored by AAUW California and falls under two of our Public Policy Priorities, "Social and Racial Justice for All Members of Society" and "Economic Security for All Women." The bill eliminates cost-sharing, including deductibles, from being imposed on any rape survivor seeking medical care following a rape. Insurers will be required to cover the cost of medical care with no copay. AB 2843 ensures that those individuals who wish to report a rape and file charges will have the benefit of a rape kit test and forensic exam to provide evidence to secure more convictions for acts of sexual violence. In addition, they can receive the care they need following a traumatic sexual attack. (See the [Lobby Days Talking Points](#) and [Bill Text](#) for more details.)

Our second "A" priority bill, AB 2326 "Title IX Oversight and Compliance Act" is also sponsored by AAUW California. This bill falls under our Public Policy Priorities pillar "Equal Access to Quality Education for All Students" and champions something that AAUW California has long supported: Title IX enforcement. AB 2326 requires the Chancellors of the Community Colleges and State Universities and the President of the University of California to provide an annual report of their compliance with Title IX, with the report to be presented publicly and orally to the Senate and Assembly Budget Subcommittees on Higher Education Finance, a move to hold the systems, and their leaders, more publicly accountable.

While we are listing AB 2326 as an "A" priority bill, a large number of Title IX related bills were introduced this year, likely prompted by the 2023 State Auditor's [Report 2022-109 \(ca.gov\)](#) which concluded that the CSU system's handling of Title IX-related complaints has not adequately addressed allegations of inequity, harassment, and sexual harassment. While a great deal of the introduced Title IX legislation has not yet fully taken shape, we are watching them, as they will potentially become priority bills. In addition, one of the more fully-formed bills, AB 1790, is listed as a "B" priority bill on our agenda.

Our third "A" priority bill is AB 2099, "Protecting Reproductive Health Clinics." This bill falls under our Public Policy Priorities pillar "Social and Racial Justice for All Members of Society." The bill makes it possible for the D.A. to file a felony charge for sharing personal information or images of individuals such as reproductive health care providers or patients, with the intent of causing harm or violence against them, if the posting and subsequent action results in bodily injury. With [violence against abortion providers continuing to rise following the reversal of Roe](#), the protection of providers and patients is now more important than ever.

To see our full 2024 Legislative Agenda, please go to our [Bill Tracking Report](#). This report will continue to be updated as the bills move through the legislative process, so you will always be able to see the latest status.
